FLORIDA VOTER ENDORSEMENT GUIDE

2026 FLORIDA PRIMARY ELECTIONS

ENDORSEMENT RATING A single vetted and recommended candidate, based on (1) a voting record or FFA questionnaire results, (2) FFA team interviews, and/or (3) research confirming a background and conviction consistent with a Biblical worldview on life, marriage, family, and religious liberty, reflecting high confidence that this candidate will govern and vote faithfully on these principles under pressure with humility and a teachable spirit.

ALLY Two or more candidates in the same race who each meet all or most endorsement standards but cannot be meaningfully separated by the board. An ally rating reflects confidence in either candidate.

WORLDVIEW ALIGNED A candidate who, based on FFA's research, appears to align with FFA's Biblical worldview standards, but who is in a race with another candidate whom we have endorsed. A WA designation is an honorable mention to such candidates.

PREFERRED A candidate(s) rated as preferred may refer to (1) a candidate who claims alignment with FFA's mission but has insufficient data available to validate those claims; (2) a candidate who has a mixed record on FFA's issues; or (3) a slightly better candidate in a race where all candidates fall well short of FFA's vetting standards.
